Story Night

The children of Israel

Surah al Baqarah

www.accessquran.co.uk

Why is this story mentioned?

Prophet Adam (AS)

Children of Prophet Israel (AS)

Prophet Abraham (AS)

Case study

How can you see this in your life and choose a different approach?

They were in waiting

Settled in Madinah

"I will raise them up a Prophet from among their brethren, like unto thee, and will put my words in his mouth; and he shall speak unto them all that I shall command him." (Deuteronomy 18:18)

Fulfil your part of the deal

O children of Israel
Remember My favours
upon you.

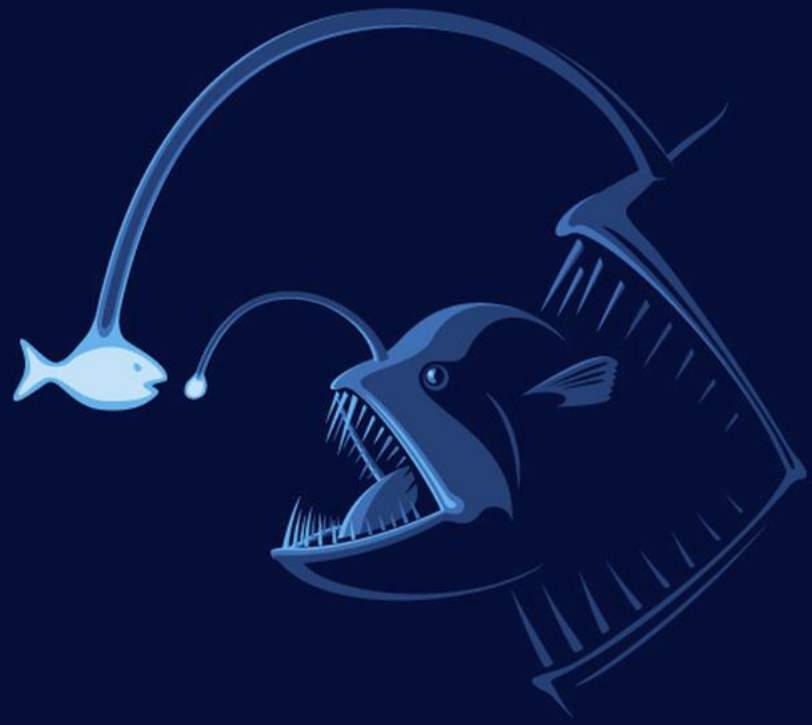

Fulfil your covenant and I
will fulfil Mine,
and stand in awe of Me
alone

Don’t be the first to

deny the message

Or sell out

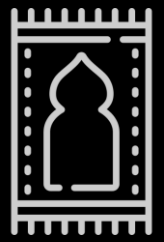

And be mindful of Me.

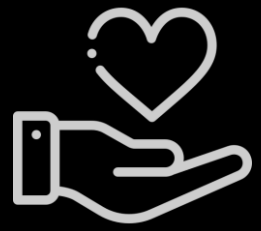

Do not mix truth with lies

Or hide the truth

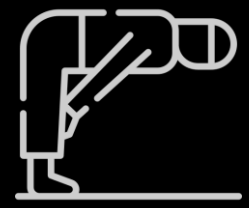

FEAR LESS

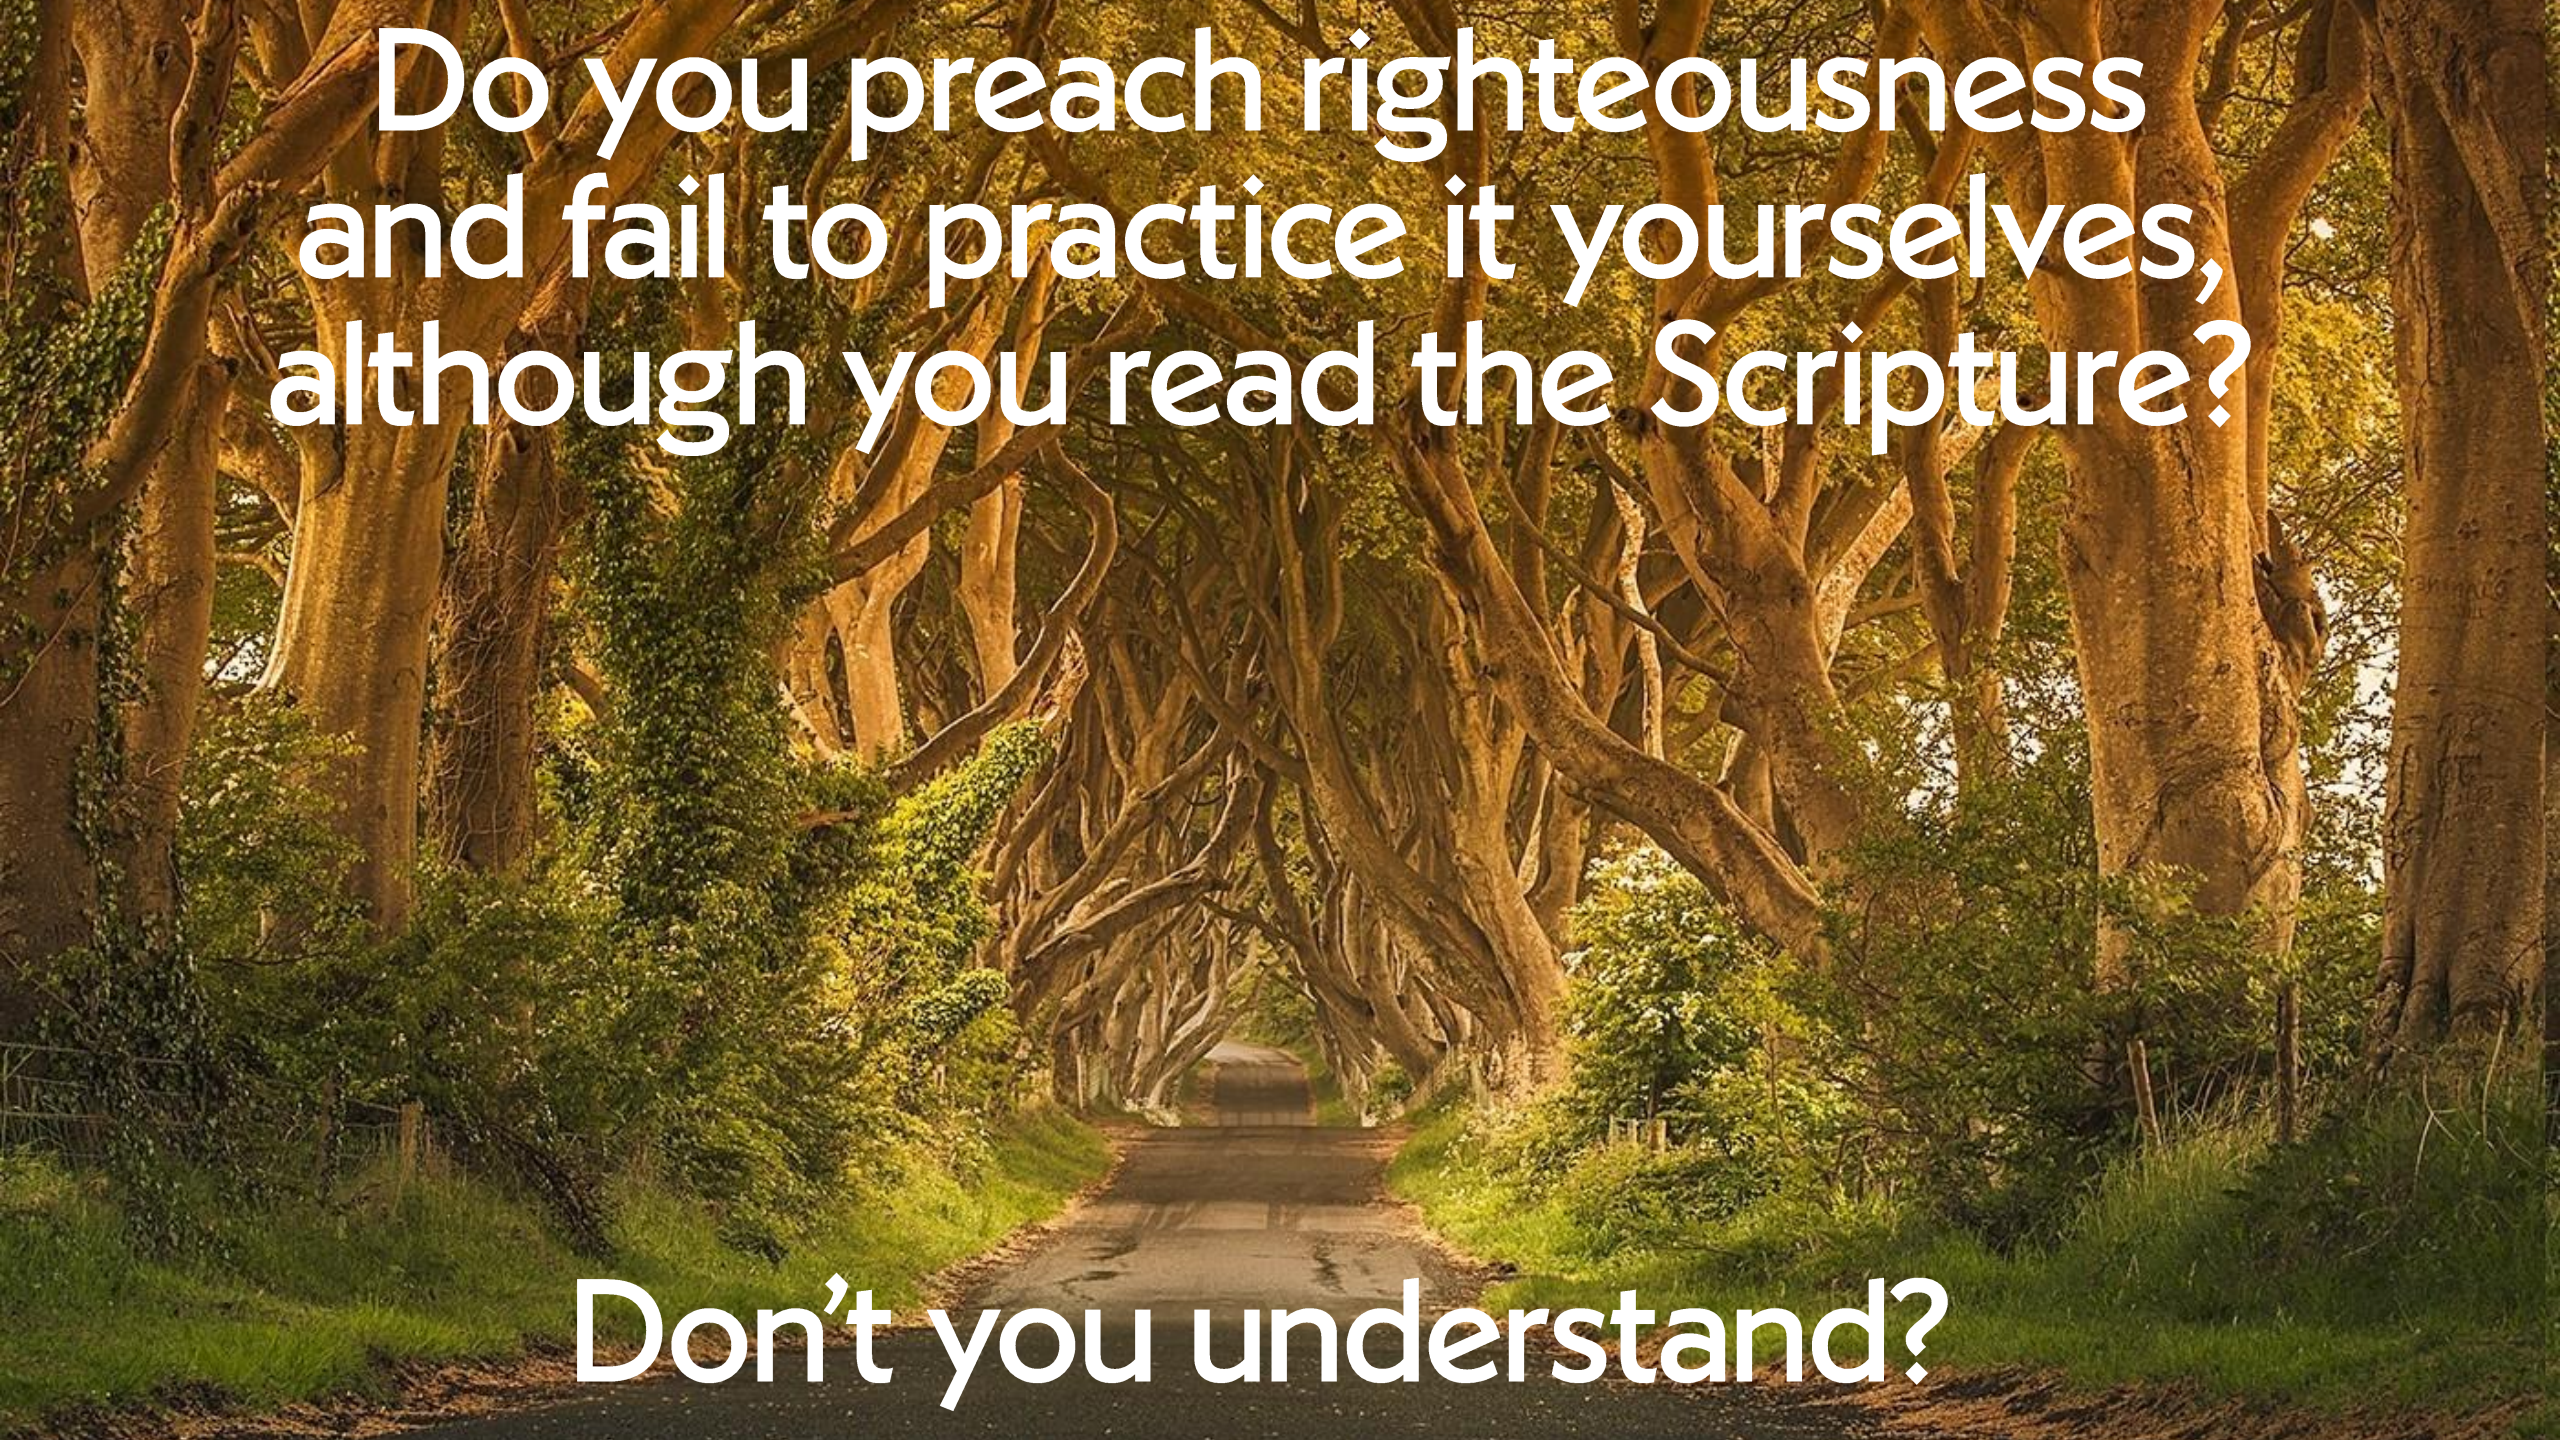

Establish prayer

Give charity

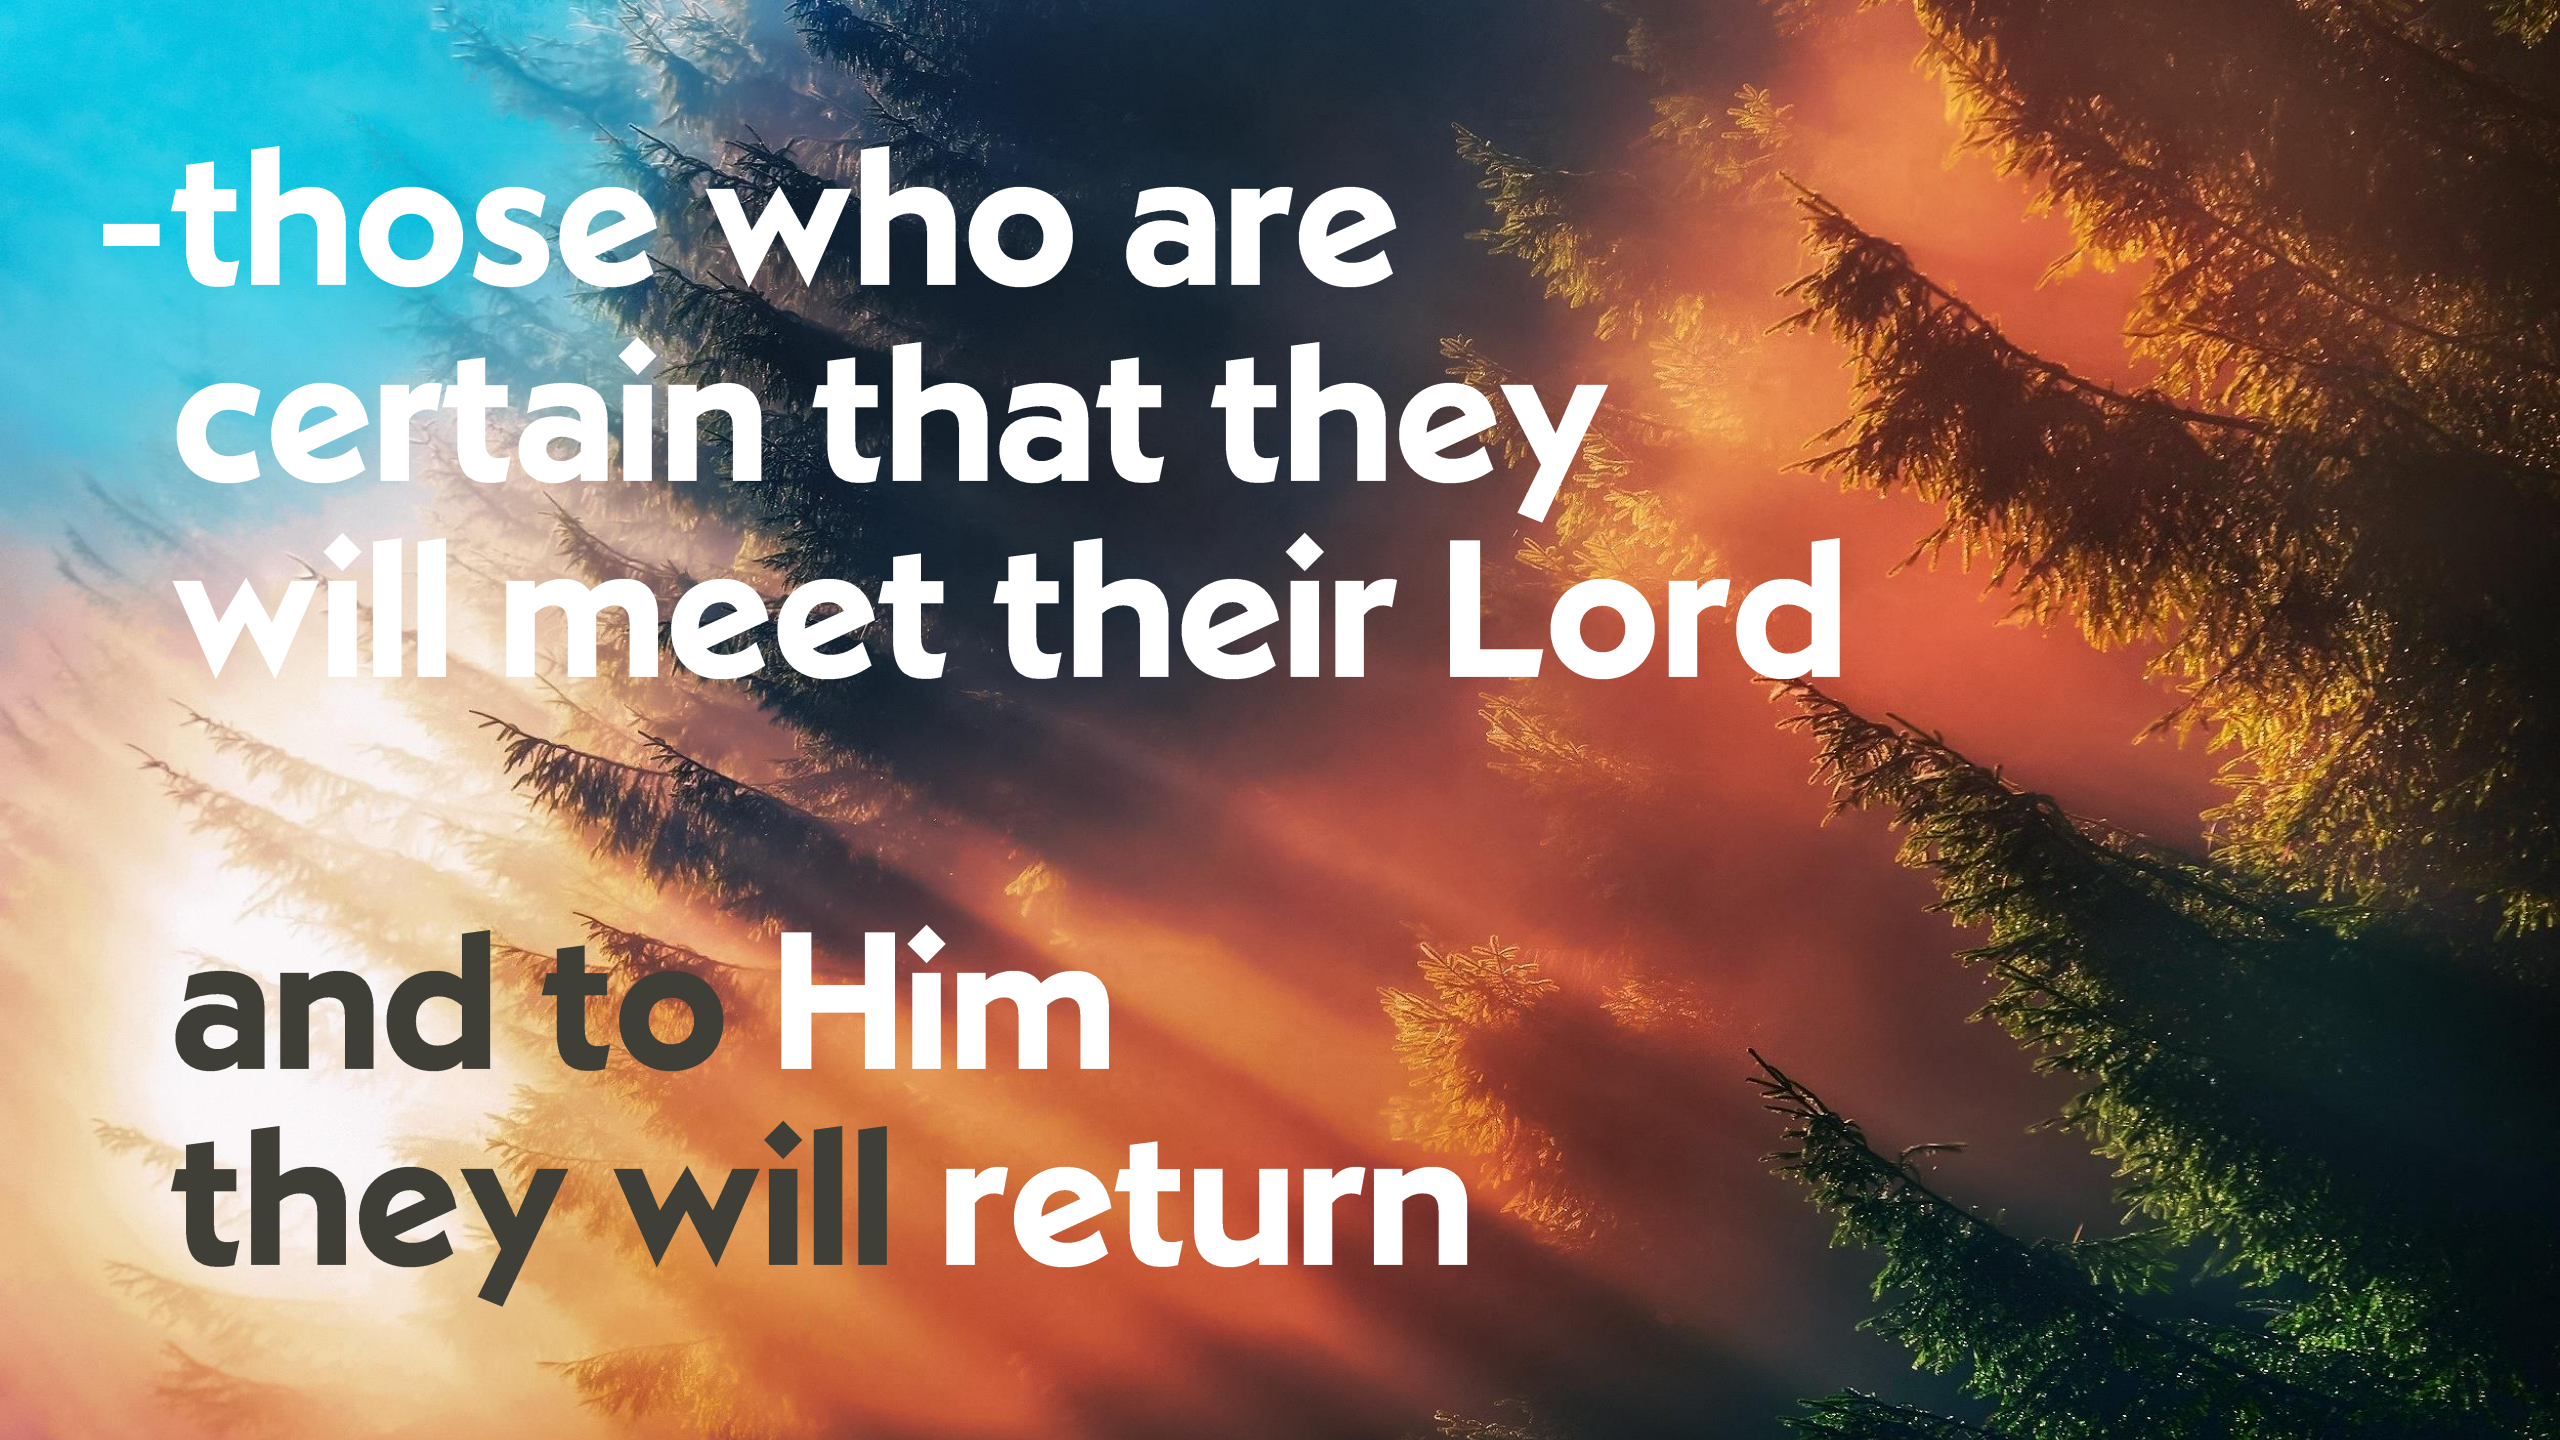

Bow with others

Do you preach righteousness
and fail to practice it yourselves,
although you read the Scripture?
Don’t you understand?

Help getting over the line

And seek help through patience and prayer.
Indeed, it is a burden except for the **humble**

-those who are
certain that they
will meet their Lord
and to Him
they will return

10 favours

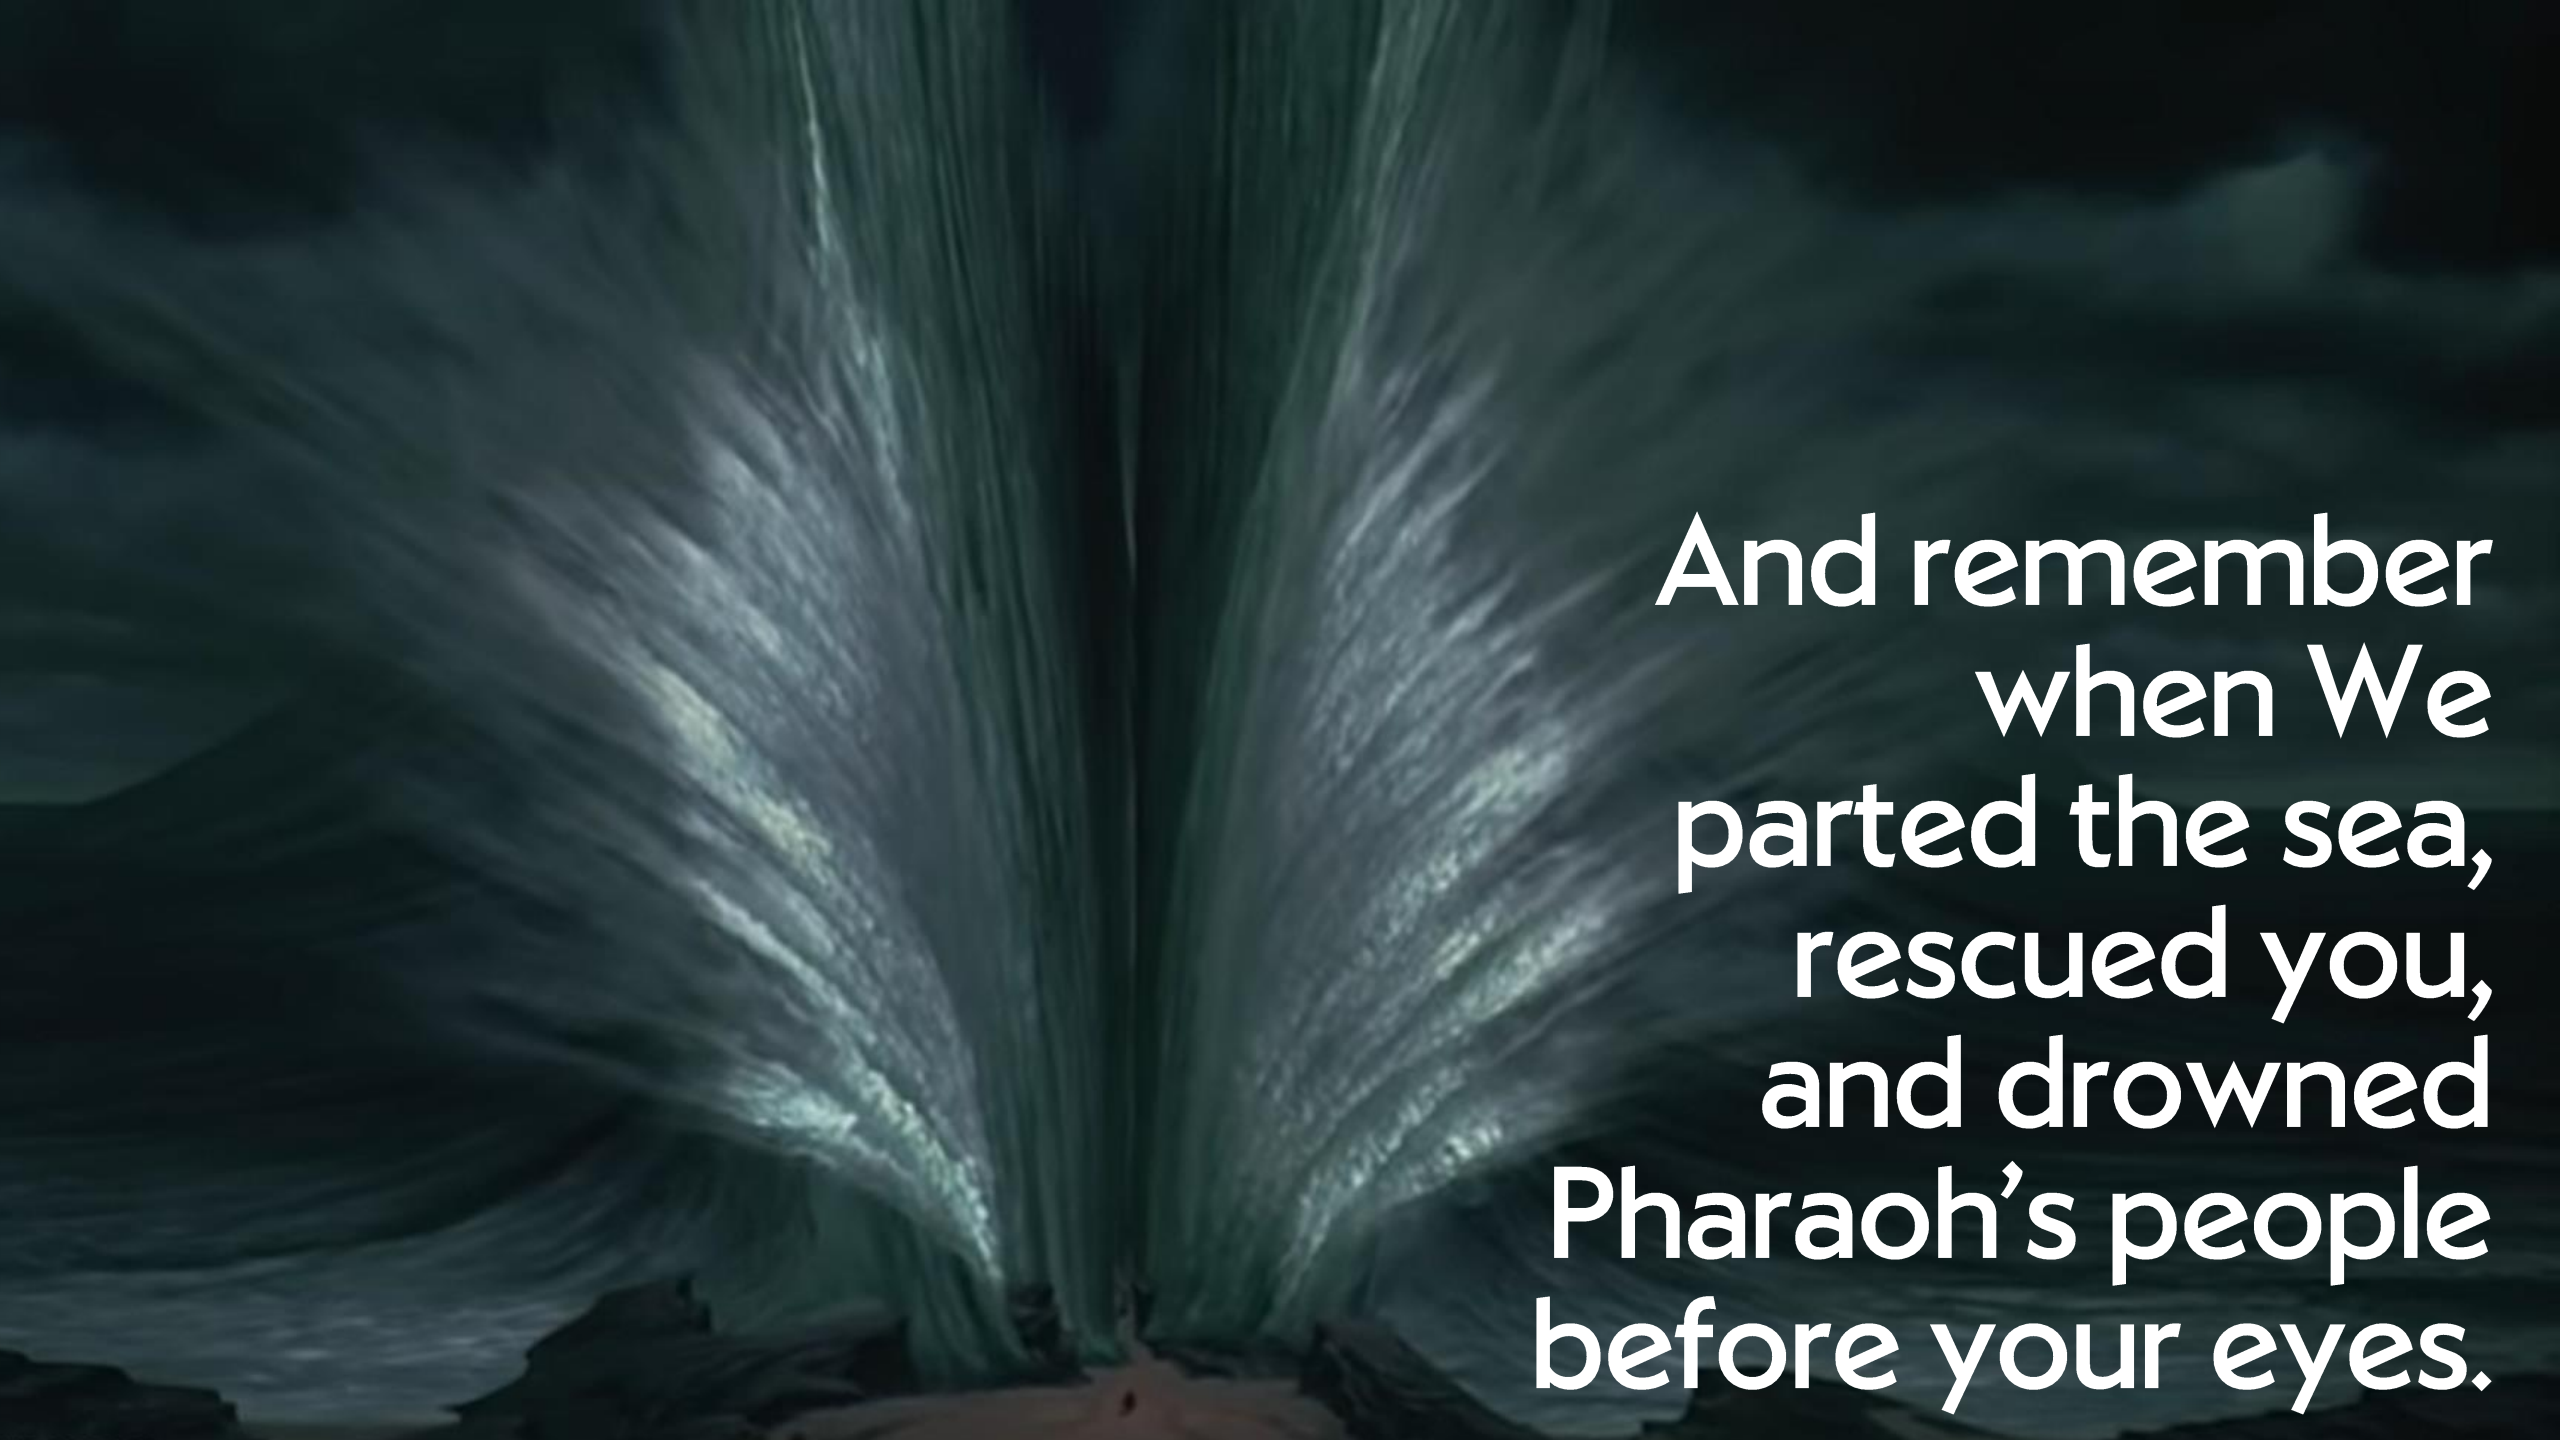

Honoured above other nations

Remember how We delivered you from the people of Pharaoh, who afflicted you with dreadful torment, slaughtering your sons and keeping your women. That was an enormous test from your Lord.

Ending Pharoah's punishment

And remember
when We
parted the sea,
rescued you,
and drowned
Pharaoh's people
before your eyes.

Forgiveness after worshipping a golden cow

Moses given the Torah

the standard to separate right from wrong, so perhaps you would be rightly guided

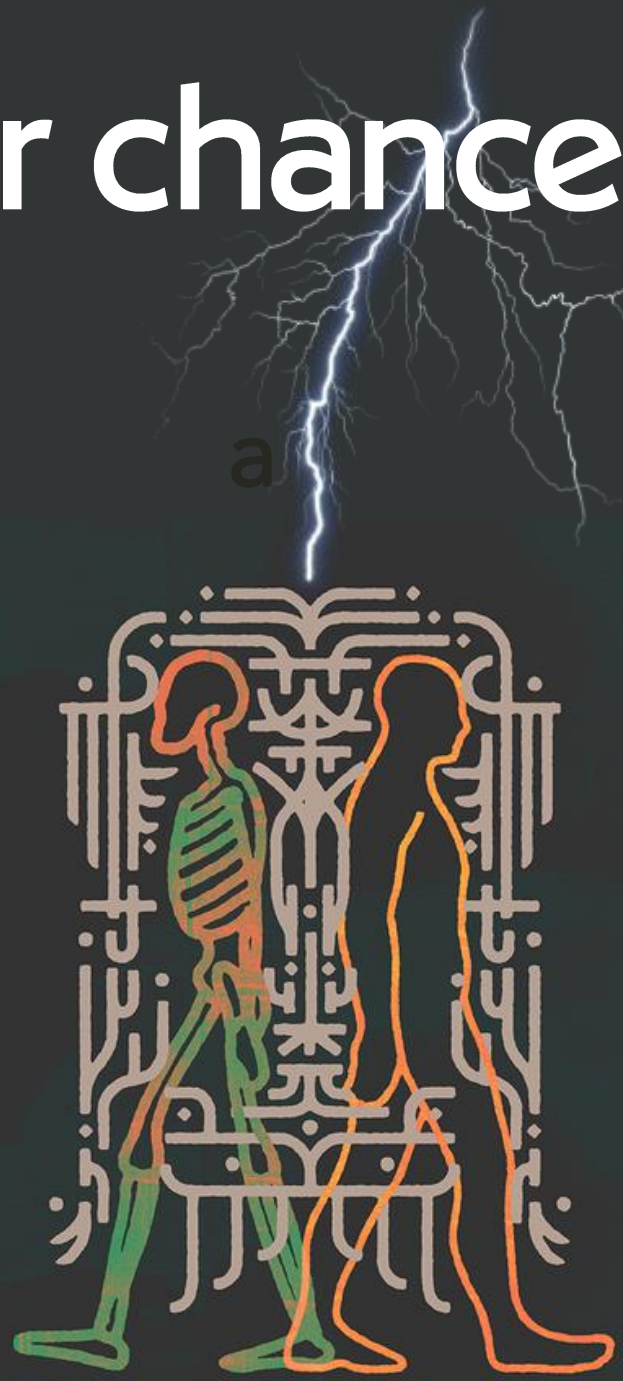

The way to turn back

Surely you have wronged yourselves by worshipping the calf, so turn in repentance to your Creator and **execute the calf-worshippers** among yourselves.

Another chance at life

‘We will never believe you until we see Allah with our own eyes,’ so a thunderbolt struck you while you were looking on.

Then We brought you back to life after your death, so that perhaps you would be grateful.

Food & Shade

Permission to enter Jerusalem

Water for all

Moses prayed for water for his people, We said,
"Strike the rock with your staff."
Then 12 springs gushed out, and each tribe knew its drinking place.

We then said
"Eat and drink of Allah's provisions, and do not go about spreading corruption in the land."

How did they respond to these favours?

Can’t put up with this food

…So just call upon your Lord for us to get us some food from the earth - herbs, cucumbers, garlic, lentils, and onion

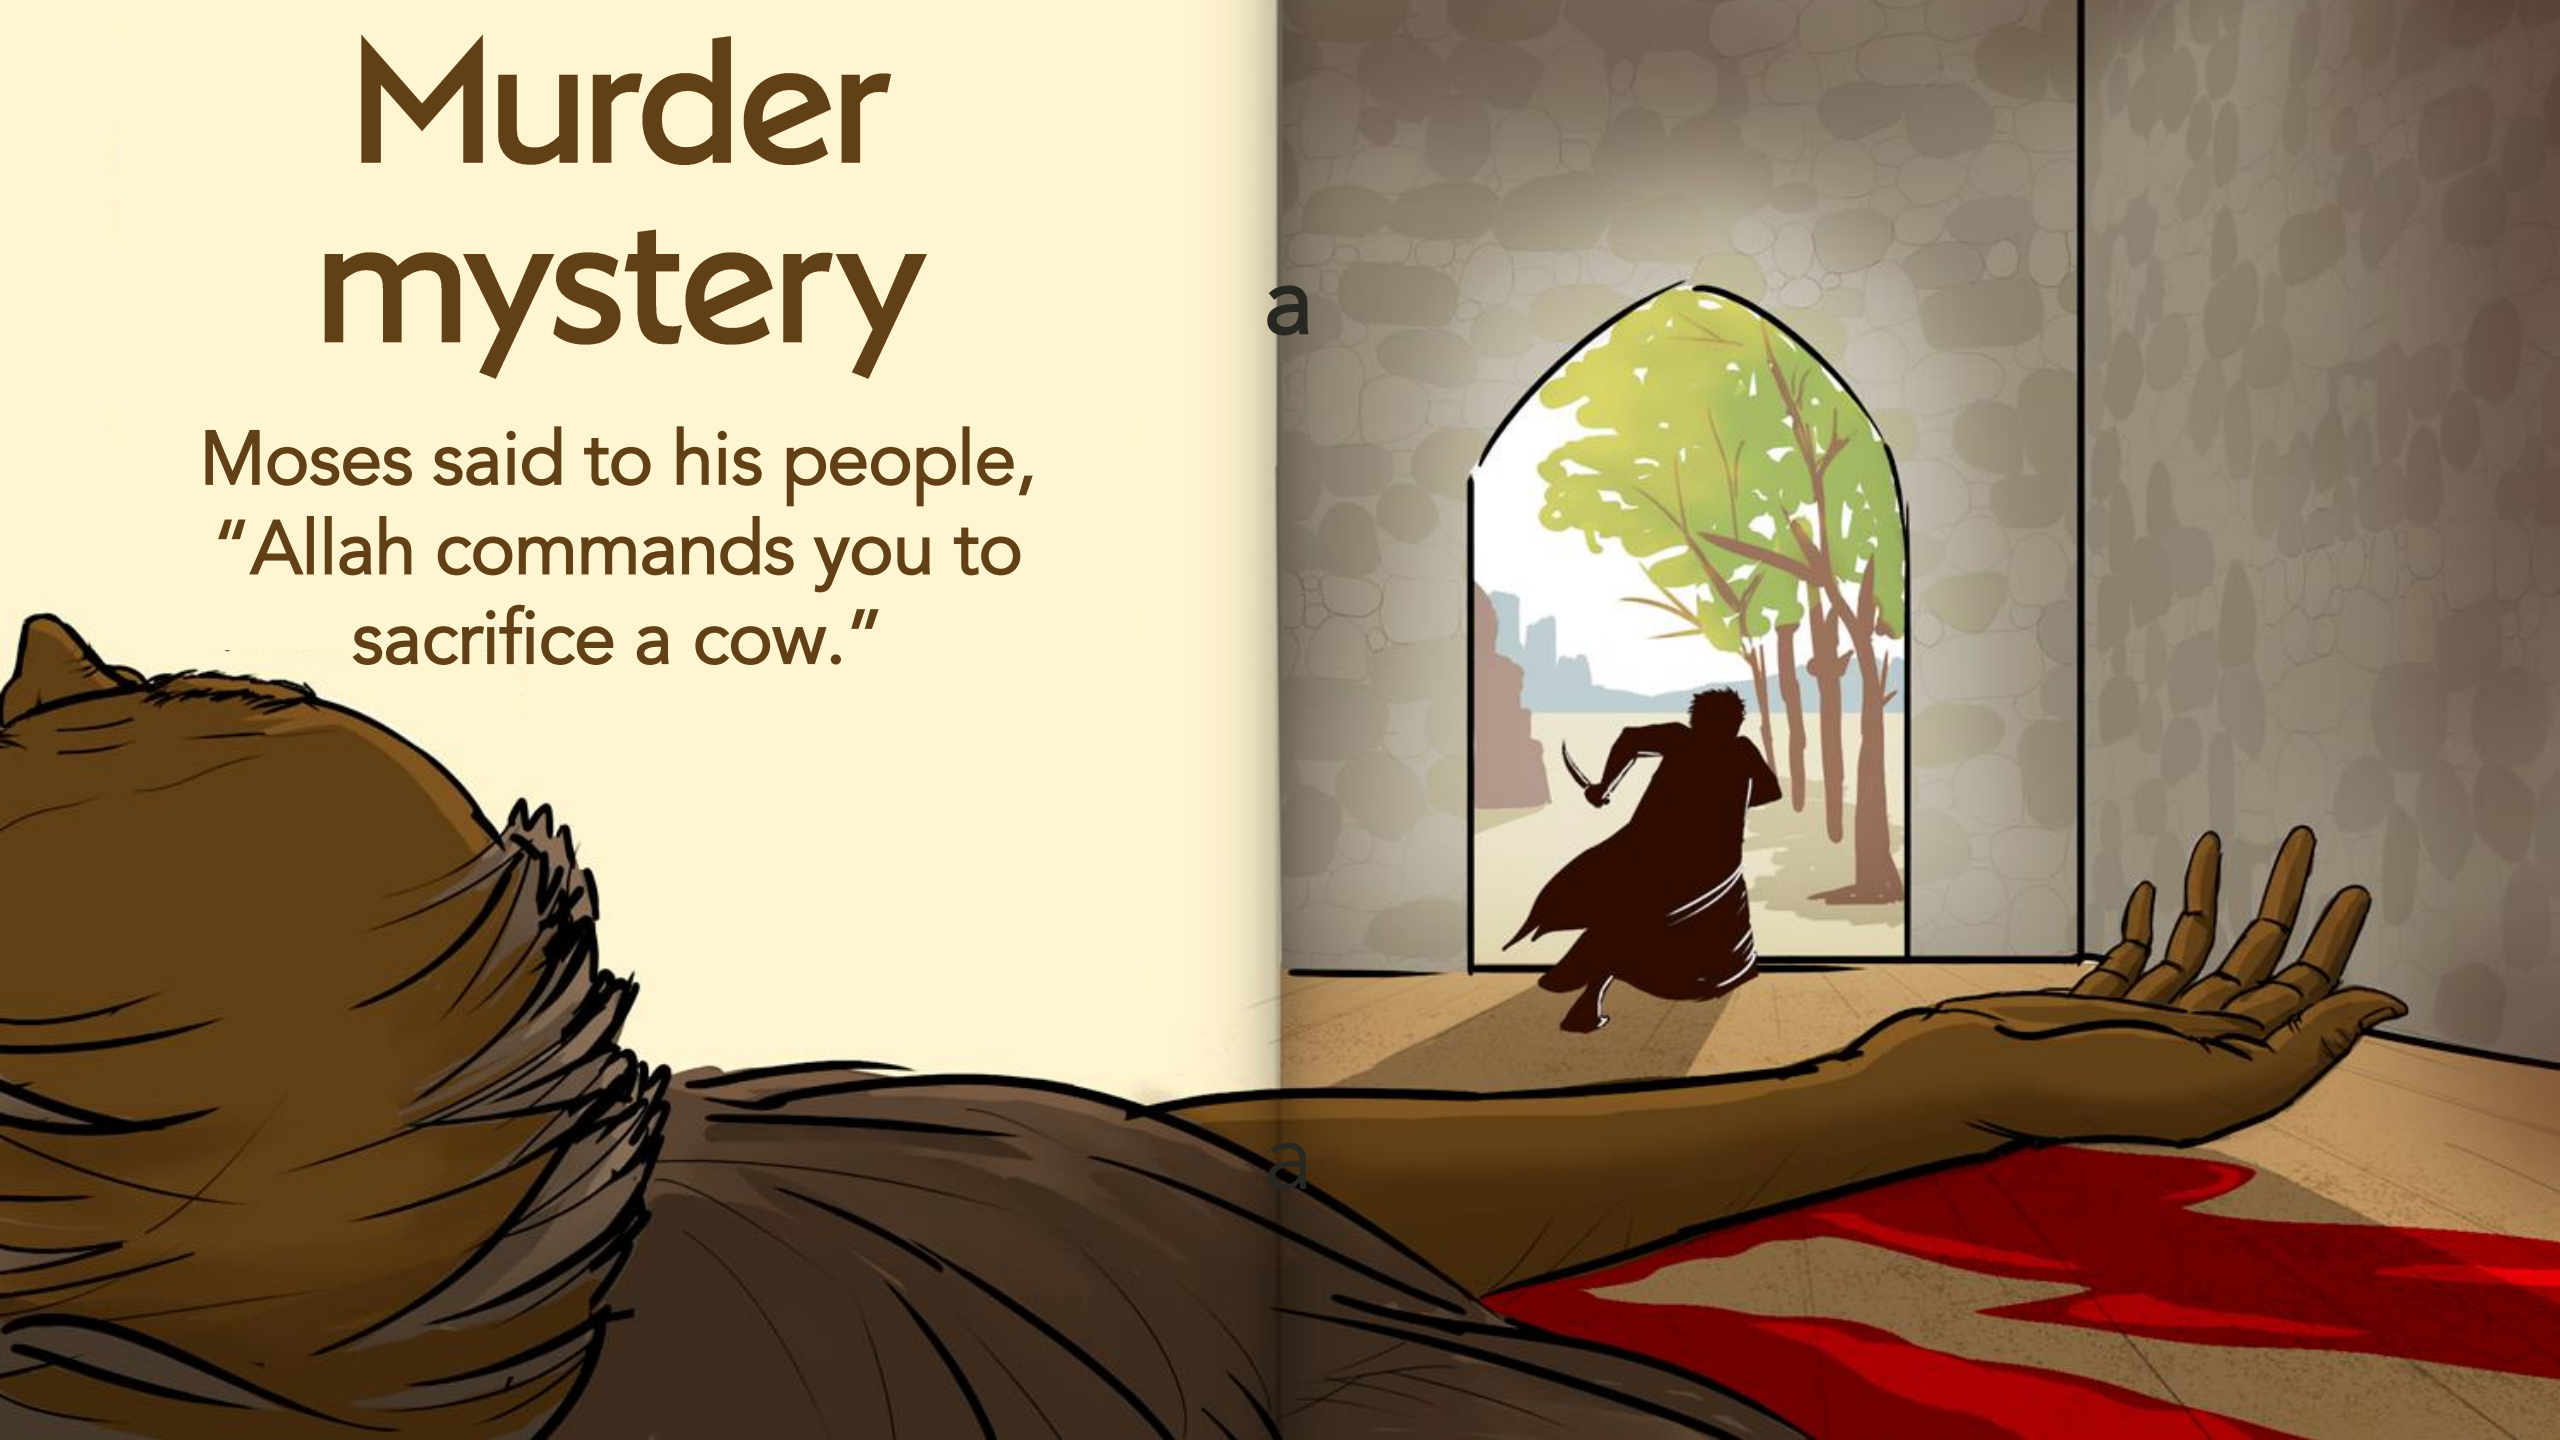

Broke the Sabbath

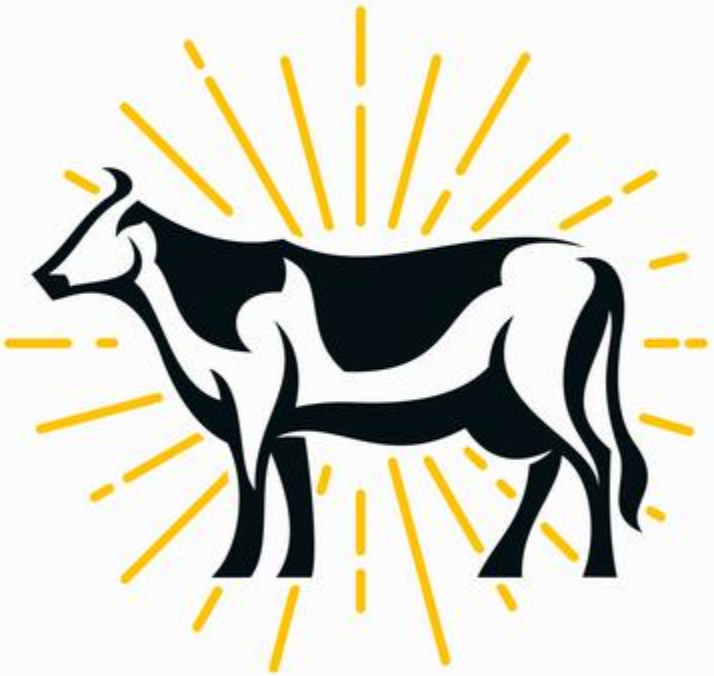

Murder mystery

Moses said to his people, "Allah commands you to sacrifice a cow."

Age?

Colour?

Occupation?

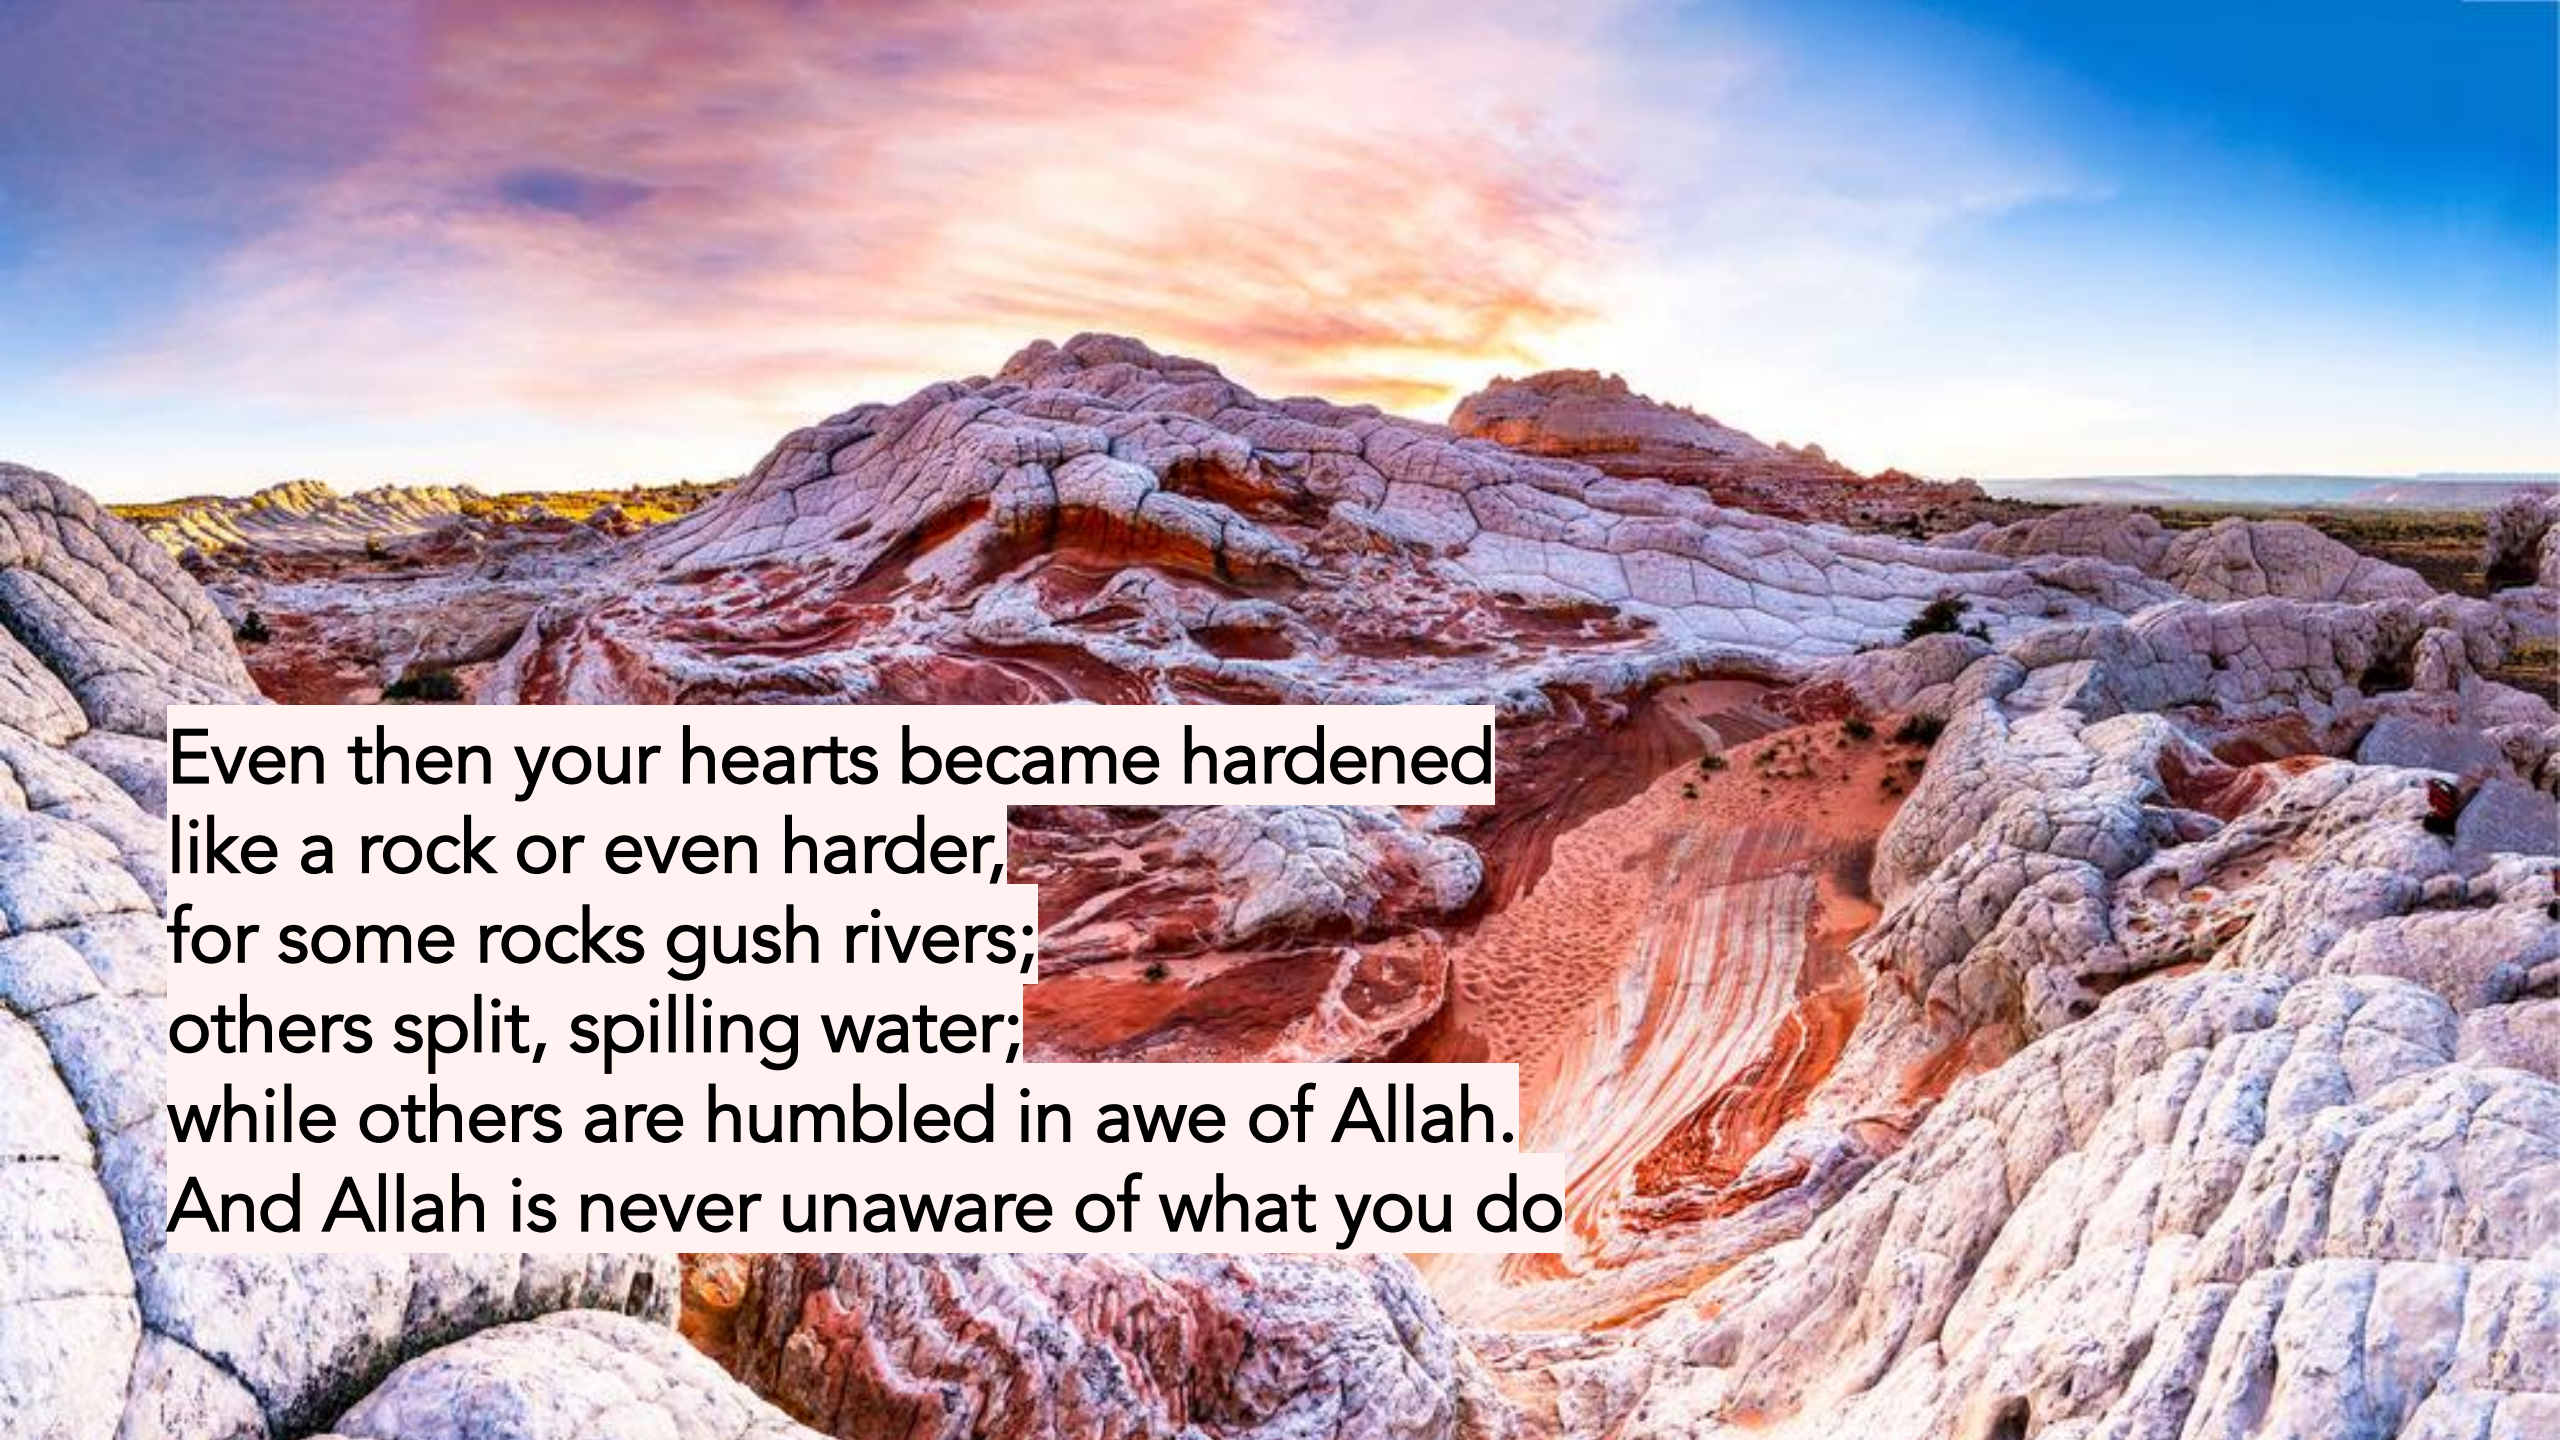

The power of sincerity

“Strike the dead body with a piece of the cow.”

This is how easily Allah brings the dead to life, showing you His signs so that you may understand.

Even then your hearts became hardened
like a rock or even harder,
for some rocks gush rivers;
others split, spilling water;
while others are humbled in awe of Allah.
And Allah is never unaware of what you do
